We will be having oral midterm exams on February 5. We need to schedule 90 minute time slots for each of you. Copy the time slots below and paste them into a **private** Ed post. Next to each time, put **YES** or **NO**, respectively, if you can or cannot do the exam at that time. Only write **NO** if you have an unavoidable conflict, like another class. You may write **YES!!** to indicate a strong preference. We will send your midterm exam times in the next week or two.
